ADMINISTRATION BUILDING ENTRANCE
PASSENGER CAR AND MOTOR PLANTS
CHRYSLER CORPORATION OF CANADA, LIMITED
WINDSOR, ONTARIO

You are invited to visit the Administration Building, the Passenger Car Plant, the Truck Plant and the Motor Plant of the Chrysler Corporation of Canada, Limited. The plants occupy more than 67 acres and are equipped with the most modern machinery and a total of more than five miles of conveyors for the precision manufacture of Chrysler, DeSoto, Dodge and Plymouth passenger cars, Dodge and Fargo trucks and Chrysler-built engines.

You will see these great Canadian-built vehicles take shape before your eyes. It's a sight you will never forget.
